## WRITING

1. My name is Alex and I would like to apply for participating in the show. I am able to sing and play some piano and also starting to learn to play on the guitar. My experience in singing is over two years but I play piano only for half a year. Never had been in any group except school projects. I want to be in the show just to test myself and gain some experience. I also think this will be a great opportunity to gain some ~~exp~~ acquaintances.

2

I was planning to give my friend a ~~sur~~ surprise. My friend was a beginning artist at that time. His name was Jacob and he wanted to get a drawing tablet but had too little money for purchase. And after I knew it, I understood what I must do.

I did a surprise for him at his birthday. I bought to him quite the expensive drawing tablet and put it in his drawer. He was really shocked when he saw it and was really grateful. His joy was so overflowing it made him tear up a bit.

In the end he started to learn digital art. He is still grateful and now, he is quite a popular artist. I think that every friend should support their friend's every now and then.

Dear sir,

I am writing about company's application, which I found in an advertisement in a newspaper. The application I refer to is one that says that you're looking for creative young people. I would like to apply for participation in your show.

From what I can do, I can list such things as: singing, playing a piano and telling jokes. I don't know if you need to know this, but I am also quite decent at drawing. I can also learn how to dance if it is necessary to participate in this show. I also think that it is important to know that I was learning all of this at home by myself. I am only 15 years old, however, I was singing & playing on a piano for about 9 years from now on.

As for the reasons for my application to participate in your international TV talent show, I want to test myself and gain ~~some~~ new experience from such interesting events.

I look forward to hearing from you at the very earliest convenience.

Yours sincerely,

Alex Woodward.
